

Scientific Programme

Wednesday, 16 June 2021

08:30 - 18:00

Learning Centres, HUG - Hôpitaux universitaires de Genève

Learning Center 4 Thoracic Ultrasound / Echography (for the pulmonologist and the thoracic surgeon)

10:00 - 13:30

Learning Centres, Room E 120 pax (theatre)

Learning Center 1 Systematic approach to the chest X-ray

10:00 - 13:30

Learning Centres, Room F 120 pax (theatre)

Learning Center 3 Pulmonary function tests: a comprehensive approach to forced expiratory volumes (spirometry)

13:45 - 15:15

Workshops, Room F 120 pax (theatre)

Workshop Bronchoprovocation tests

14:15 - 15:30

Assemblies, Room K 230 pax (theatre)

Assembly SIG

14:15 - 17:30

Learning Centres, Room E 120 pax (theatre)

Learning Center 2 HERMES Self assessment preparatory course

15:30 - 17:30

Assemblies, Room K 230 pax (theatre)

Board Meeting SSP

15:30 - 17:00

Workshops, Room F 120 pax (theatre)

Workshop Interfaces of CPAP and NIV

Scientific Programme

17:30 - 19:00

Workshops, Room F 120 pax (theatre)

Workshop Pleurodeses, fibrinolysis: practical aspects

17:45 - 19:00

Assemblies, Room K 230 pax (theatre)

Assembly SIG

17:45 - 19:00

Assemblies, Room E 120 pax (theatre)

Assembly SIG

Scientific Programme

Thursday, 17 June 2021

08:00 - 08:15

Joint Sessions, Room A small (Hybrid) 650 pax (theatre)

Congress opening / welcome

08:00 - 09:30

Joint Sessions, Room B small (Hybrid) 650 pax (theatre)

Joint SSP-EFP Session Sleep disordered breathing 2

08:00 - 08:30

Drug induced sleep endoscopy" (DISE): for whom and why?

Nicolas Dulguerov (Geneva, Switzerland)

08:30 - 09:00

Insomnia and OSA

Sandrine Launois (Paris, France)

09:00 - 09:30

Specific aspects of obstructive sleep apnea in children

Claudine Gysin (Zürich, Switzerland)

08:00 - 09:00

Industry Sessions, Room K 230 pax (theatre)

Satellite Symposium / Atelier

08:00 - 09:30

Joint Sessions, Room C small 650 pax (theatre)

Joint SSP/EFP Session Non-invasive ventilation

08:00 - 08:30

Swiss 2020 NIV guidelines

Jean-Paul Janssens (Geneva, Switzerland)

08:30 - 09:00

NIV: Trouble shooting

Esther Irene Schwarz (Zürich, Switzerland)

09:00 - 09:30

High-Flow versus NIV in chronic respiratory failure

Grégoire Gex (Sion, Switzerland)

08:00 - 09:30

Joint Sessions, Room E 120 pax (theatre)

Joint SSP-EFP Session Pulmonary Hypertension

08:00 - 08:30

Assessment of cardiac output: where is the truth?

Léon Genecand (Geneva, Switzerland)

08:30 - 09:00

Haemodynamic definition of PH and exercise right heart catheterization

Silvia Ulrich (Zürich, Switzerland)

Scientific Programme

09:00 - 09:30

New treatments and treatment strategy in PAH

Marc Humbert (Paris, France)

08:00 - 09:30

Allied Professions Sessions, Room F 120 pax (theatre)

Allied Professions

08:00 - 09:00

Poster & Abstract Sessions, Room G 120 pax (theatre)

Oral Abstract Presentation

08:00 - 09:30

Workshops, Room L 100 pax (theatre)

Workshop Therapeutic teaching in chronic respiratory diseases (including tele-education)

08:30 - 09:30

Joint Sessions, Room A small (Hybrid) 650 pax (theatre)

Joint SSP-EFP Session COVID-19

08:30 - 08:40

COVID: the most important messages

Alexandra Calmy (Geneva, Switzerland)

08:42 - 08:52

COVID in children: (including multisystem inflammatory syndrome)

Arnaud L'Huillier (Geneva, Switzerland)

08:52 - 09:02

Acute respiratory failure in COVID patients outside the ICU

Dan Adler (Geneva, Switzerland)

09:02 - 09:12

COVID and vascular disease (vasculitis, thromboembolic disorders..)

Marc Righini (Geneva, Switzerland)

09:12 - 09:22

Swiss COVID lung study

Manuela Funke-Chambour (Bern, Switzerland)

09:15 - 10:15

Industry Sessions, Room K 230 pax (theatre)

Satellite Symposium / Atelier

10:00 - 11:30

Joint Sessions, Room A small (Hybrid) 650 pax (theatre)

Joint SSP/EFP Session The lung and the environment

Scientific Programme

10:00 - 10:30 **Ambient air pollution and the COVID pandemic - what is the link?**
Nino Künzli (Basel, Switzerland)

10:30 - 11:00 **COPD and domestic pollution**
Chantal Raheison (Bordeaux, France)

11:00 - 11:27 **The lung and climate changes**
Agnès Hamzaoui (Tunis, Tunisia)

Joint Sessions, Room B small (Hybrid) 650 pax (theatre)
10:00 - 11:30 **Joint SSP-EFP Session Lung Cancer**

10:00 - 10:30 **Update on evidences for lung cancer screening**
Christophe von Garnier (Lausanne, Switzerland)

10:30 - 11:00 **Lung cancer screening in Switzerland - where are we?**
Milo Puhan (Zürich, Switzerland)

11:00 - 11:30 **Targeted treatment in lung cancer**
Catherine Labbé (Quebec, Canada)

Joint Sessions, Room C small 650 pax (theatre)
10:00 - 11:30 **Joint ERS-SSP/EFP Session Interstitial lung diseases 1**

10:00 - 10:30 **Hypersensitivity Pneumonitis - Diagnosis and treatment**
Dirk Koschel (Coswig, Germany)

10:30 - 11:00 **New antifibrotic drugs**
Katrín Hostettler (Basel, Switzerland)

11:00 - 11:30 **Secrets of radiological ILD diagnosis and use of AI**
Lukas Ebner (Bern, Switzerland)

Joint Sessions, Room E 120 pax (theatre)
10:00 - 11:30 **Joint SSP/EFP Session Pulmonary rehabilitation**

10:00 - 10:20 **Benefits of rehabilitation in comparison to inhalation therapy**
Bernard Egger (Rolle, Switzerland)

10:20 - 10:40 **Combination of in- and outpatient rehabilitation programs**
Jean-Marie Grosbois (Lille, France)

10:40 - 11:00 **Obstacles for respiratory rehabilitation programmes: how to move forward?**
Swantje Beyer (Winterthur, Switzerland)

Scientific Programme

10:00 - 11:30

Allied Professions Sessions, Room F 120 pax (theatre)

Allied Professions

10:00 - 11:30

Poster & Abstract Sessions, Room G 120 pax (theatre)

Oral Abstract Presentation

10:00 - 11:30

Workshops, Room L 100 pax (theatre)

Workshop Smoking cessation: why doesn't it work?

10:30 - 11:30

Industry Sessions, Room K 230 pax (theatre)

Satellite Symposium / Atelier

11:45 - 12:45

Industry Sessions, Room A small (Hybrid) 650 pax (theatre)

Satellite Lunch Symposium

11:45 - 12:45

Industry Sessions, Room B small (Hybrid) 650 pax (theatre)

Satellite Lunch Symposium

11:45 - 12:45

Industry Sessions, Room K 230 pax (theatre)

Satellite Lunch Symposium

12:00 - 13:15

Poster & Abstract Sessions, Poster exhibition Hall

Poster Walks

13:00 - 14:30

Joint Sessions, Room A small (Hybrid) 650 pax (theatre)

Joint SSP-EFP Session Sleep disordered breathing 3

13:00 - 13:30

Sleep apnoea and cardiovascular risk factors: where are we? New biomarkers?

13:30 - 14:00

SOMNEF study: Sleep patterns and major sleep complaints: a global perspective

Franck Soyez (Antony, France)

Scientific Programme

14:00 - 14:30

Emerging countries: prevalence and impact of sleep apnoea in sub-Saharan Africa: BeSAS study

Prudence Wachinou (Cotonou, Benin)

13:00 - 14:30

Joint Sessions, Room B small (Hybrid) 650 pax (theatre)

Joint SSP-EFP Session Round table on COPD in emerging countries: how important is COPD in your country and how do you manage it?

13:00 - 14:00

Industry Sessions, Room K 230 pax (theatre)

Satellite Symposium / Atelier

13:00 - 14:30

Joint Sessions, Room C small 650 pax (theatre)

Joint SSP-EFP Session Mycobacteria 1

13:00 - 13:30

Tuberculosis locally and globally in 2021

Gunar Günther (Bern, Switzerland)

13:30 - 14:00

Tuberculosis «goes molecular» - state of the art in the diagnosis of active disease and resistance

Peter Keller (Bern, Switzerland)

14:00 - 14:30

«Luminous dots» - current tuberculosis research in the clinical context

13:00 - 14:30

Joint Sessions, Room E 120 pax (theatre)

Joint SSP-EFP Session Pulmonary Challenge

Chair: Konrad Bloch (Zürich, Switzerland)

Chair: Thomas Brack (Glarus, Switzerland)

13:00 - 14:30

Allied Professions Sessions, Room F 120 pax (theatre)

Allied Professions

13:00 - 14:30

Paediatric Pulmology Sessions, Room G 120 pax (theatre)

Pediatric Grand Rounds

Chair: Isabelle Rochat (Lausanne, Switzerland)

Chair: Nicolas Regamey (Luzern, Switzerland)

Scientific Programme

13:00 - 14:30	Workshops, Room L 100 pax (theatre) Workshop Functional respiratory diagnostics: impact of normal GLI, practical situation
14:15 - 15:15	Industry Sessions, Room K 230 pax (theatre) Satellite Symposium / Atelier
15:00 - 16:30	Joint Sessions, Room A small (Hybrid) 650 pax (theatre) Joint SSP-EFP Session Severe Asthma
15:00 - 15:30	Burden of systemic corticosteroid therapy in asthma Louis-Philippe Boulet (Quebec, Canada)
15:30 - 16:00	Presentation of the Swiss Severe Asthma Registry Jörg Leuppi (Liestal, Switzerland)
16:00 - 16:30	Update on biological treatments? Roland Buhl (Mainz, Germany)
15:00 - 16:30	Joint Sessions, Room B small (Hybrid) 650 pax (theatre) Joint SSP-EFP Session ILD 2: Sarcoidosis
15:00 - 15:30	Sarcoidosis (in Switzerland): What's new? Martin Brutsche (St. Gallen, Switzerland)
15:30 - 16:00	Pulmonary sarcoidosis - new treatment options
16:00 - 16:30	Cardiac sarcoidosis - diagnosis and treatment Yurdagul Uzunhan (Paris, France)
15:00 - 16:30	Joint Sessions, Room C small 650 pax (theatre) Joint SSP-EFP Session Round table on tuberculosis: how do you manage D.O.T and contact tracing?
15:00 - 15:10	Round Table: Participants EFP
15:00 - 16:30	Joint Sessions, Room E 120 pax (theatre) Joint SSP-EFP Session E-cigarettes
15:00 - 15:30	Effects of e-cigarettes on imaging

Scientific Programme

- 15:30 - 16:00** **E-cigarettes and „Heat not burn devices“: an individual opportunity, but risks for society**
Jacques Cornuz (Lausanne, Switzerland)
- 16:00 - 16:30** **Impact of e-cigarettes on smoking in adolescents**
Jürg Barben (St. Gallen, Switzerland)
- Allied Professions Sessions, Room F 120 pax (theatre)
- 15:00 - 16:30** **Allied Professions**
- Paediatric Pulmology Sessions, Room G 120 pax (theatre)
- 15:00 - 16:30** **Pediatric Session Pulmonary disease from childhood to adult life**
- 15:00 - 15:30** **Early origin of pulmonary disease**
Sejal Saglani (London, United Kingdom)
- 15:30 - 16:00** **New treatment options in cystic fibrosis**
Alexander Möller (Zürich, Switzerland)
- 16:00 - 16:30** **Asthma from childhood to adult life**
- Workshops, Room L 100 pax (theatre)
- 15:00 - 16:30** **Workshop Ambulatory pulmonary rehabilitation**
- Industry Sessions, Room K 230 pax (theatre)
- 15:30 - 16:30** **Satellite Symposium / Atelier**
- Joint Sessions, Room A small (Hybrid) 650 pax (theatre)
- 16:45 - 17:30** **Joint SSP-EFP Session Vaccination in SARS-CoV-2 infection**
Chair: Claire Andrejak (France)
- Joint Sessions, Room B small (Hybrid) 650 pax (theatre)
- 16:45 - 17:45** **Joint SSP-EFP Session Sleep disordered breathing 1**
- 16:45 - 17:00** **New Swiss recommendations 2020 for the diagnosis and treatment of sleep apnoea**
Raphaël Heinzer (Lausanne, Switzerland)

Scientific Programme

17:00 - 17:15

Residual sleepiness in patients treated for sleep apnoea

Jean-Louis Pepin (Grenoble, France)

17:15 - 17:30

New treatments for OSA

Malcolm Kohler (Zürich, Switzerland)

16:45 - 18:00

Joint Sessions, Room C small 650 pax (theatre)

Joint SSP-EFP Session Perspectives: Individualized therapy of airway pathologies

Chair: Nicolas Roche (Paris, France)

16:45 - 18:00

Assemblies, Room F 120 pax (theatre)

SIG Assembly Allied Professionals

18:00 - 19:30

Assemblies, Room A small (Hybrid) 650 pax (theatre)

General Assembly SGP/SSP

18:00 - 19:30

Assemblies, Room E 120 pax (theatre)

General Assembly SGT/SSCT

18:00 - 19:30

Assemblies, Room G 120 pax (theatre)

General Assembly SSPP

Scientific Programme

Friday, 18 June 2021

08:00 - 09:30

Joint Sessions, Room A small (Hybrid) 650 pax (theatre)

Joint Session SSP-EFP Functional respiratory disorders

08:00 - 08:30

Dysfunctional breathing, hyperventilation Syndrome (including COVID-related)

Stephen Fowler (Manchester, United Kingdom)

08:30 - 09:00

Inducible laryngeal obstruction (ILO)

Jörg Edgar Bohlender (Zürich, Switzerland)

09:00 - 09:30

Dysfunctional breathing under NIV

Marjolaine Georges (Dijon, France)

08:00 - 09:30

Joint Sessions, Room B small (Hybrid) 650 pax (theatre)

Joint Session SSP-EFP Lung cancer: special surgical situations

08:00 - 08:30

Surgical management of pulmonary metastases

Michel Gonzalez (Lausanne, Switzerland)

08:30 - 09:00

How to manage post-segmentectomy N2 disease ?

Gregor Kocher (Bern, Switzerland)

09:00 - 09:30

Expanding surgery for oligometastatic stage IV lung cancer

Didier Lardinois (Basel, Switzerland)

08:00 - 09:00

Paediatric Pulmology Sessions, Room K 230 pax (theatre)

Free communications Pediatric

08:00 - 09:30

Joint Sessions, Room C small 650 pax (theatre)

Joint Session SSP-EFP Mycobacteria 2

08:00 - 08:30

Latent tuberculosis - newly defined? How to diagnose? How to treat?

08:30 - 09:00

Non tuberculous mycobacteria: the new kid on the block?

Nicolas Veziris (Paris, France)

09:00 - 09:30

Non tuberculous mycobacteria and HIV

Alexandra Calmy (Geneva, Switzerland)

Scientific Programme

08:00 - 09:30	Workshops, Room E 120 pax (theatre) Workshop Allergology : basic check-up for the pneumologist (including skin tests)
08:30 - 09:30	Assemblies, Room F 120 pax (theatre) SIG Assembly
09:15 - 10:15	Industry Sessions, Room K 230 pax (theatre) Satellite Symposium / Atelier
10:00 - 11:30	Joint Sessions, Room A small (Hybrid) 650 pax (theatre) Joint Session SSP-EFP Pulmonary function testing
10:00 - 10:30	Impact of the new prediction equations (GLI) on patient classification Part 1: Spirometry Konrad Bloch (Zürich, Switzerland)
10:30 - 11:00	Impact of the new prediction equations (GLI) on patient classification Part 2: Pulmonary volumes and DLCO Bruno Degano (Grenoble, France)
11:00 - 11:30	Challenges of implementing spirometry in emerging countries
10:00 - 11:30	Joint Sessions, Room B small (Hybrid) 650 pax (theatre) Joint Session SSP-EFP Respiratory disorders at extremes of life
10:00 - 10:30	Sleep disorders in infants and toddlers Daniel Trachsel (Basel, Switzerland)
10:30 - 11:00	NIV and CPAP in patients over 75: is it possible? Chloé Cantero (Geneva, Switzerland)
11:00 - 11:30	Periodical breathing and heart failure: where are we today? Marie Pia d'Ortho (Paris, France)
10:00 - 11:30	Joint Sessions, Room C small 650 pax (theatre) Joint Session SSP-EFP Thrombo-embolic disease
10:00 - 10:30	Acute pulmonary embolism

Scientific Programme

10:30 - 11:00

Post PE management

Laurent Bertoletti (St Etienne, France)

11:00 - 11:30

Balloon pulmonary angioplasty (BPA) for CTEPH

Frédéric Lador (Geneva, Switzerland)

10:00 - 11:30

Workshops, Room E 120 pax (theatre)

Workshop: Mechanical insufflation/exsufflation and other devices to improve airway clearance

10:00 - 11:00

Assemblies, Room F 120 pax (theatre)

SIG Assembly

10:30 - 11:30

Industry Sessions, Room K 230 pax (theatre)

11:45 - 12:45

Industry Sessions, Room K 230 pax (theatre)

Satellite Lunch Symposium

11:45 - 12:45

Industry Sessions, Room G 120 pax (theatre)

Satellite Lunch Symposium

12:30 - 14:00

Joint Sessions, Room A small (Hybrid) 650 pax (theatre)

Joint Session SSP-EFP Pleural disease

12:30 - 13:00

Pleural fibrinolysis update of literature and practices

Benoit Bédât (Geneva, Switzerland)

13:00 - 13:30

New guidelines for the management of mesothelioma

13:30 - 14:00

The role of multiplex bacterial PCR in the management of parapneumonic effusion

Daiana Stolz (Basel, Switzerland)

Scientific Programme

12:30 - 14:00	Paediatric Pulmology Sessions, Room B small (Hybrid) 650 pax (theatre) Pediatric session Respiratory failure in pediatric patients
12:30 - 13:00	Use of high flow humidified oxygen therapy in children Jürg Hammer (Basel, Switzerland)
13:00 - 13:30	Pre and peri operative preparation to NIV for high risk children before major surgery Regula Corbelli (Geneva, Switzerland)
13:30 - 14:00	Long term NIV in children Miriam Giarrana (Zürich, Switzerland)
12:30 - 14:00	Joint Sessions, Room C small 650 pax (theatre) Joint Session SSP-EFP Pulmonary function test challenge Chair: Sylvain Blanchon (Lausanne, Switzerland) Chair: Anh-Tuan Dinh-Xuan (Paris, France) Chair: Pierre-Olivier Bridevaux (Sion, Switzerland)
12:30 - 12:57	Adult case presentations
13:00 - 13:27	Pediatric case presentations Sylvain Blanchon (Lausanne, Switzerland)
12:30 - 14:00	Workshops, Room E 120 pax (theatre) Workshop: Interventional bronchoscopy : « cross-county » and « Microwave »
12:45 - 13:45	Assemblies, Room F 120 pax (theatre) SIG Assembly
13:00 - 14:00	Industry Sessions, Room K 230 pax (theatre) Satellite Symposium / Atelier

Scientific Programme

14:15 - 15:45

Joint Sessions, Room A small (Hybrid) 650 pax (theatre)

Joint Session SSP-EFP Pulmonary involvement in hematological and oncological disease

14:15 - 14:42

Pulmonary manifestations of graft vs host disease after stem cell transplantation

Anne Bergeron (Paris, France)

14:45 - 15:12

Pulmonary diseases related to immunotherapies

15:15 - 15:42

Treatments including rehabilitation after stem cell transplantation and graft vs host disease

14:15 - 15:45

Joint Sessions, Room B small (Hybrid) 650 pax (theatre)

Joint Session SSP-EFP Lung cancer: proximal airway involvement

14:15 - 14:45

Endoscopic management of benign proximal airway stenosis

Hervé Dutau (Marseille, France)

14:45 - 15:15

Surgical management of benign proximal airway stenosis

Emmanuel Martinod (Paris, France)

15:15 - 15:45

Is the 3D printed stent the stent we all dream of?

Daniel Franzen (Zürich, Switzerland)

14:15 - 15:45

Joint Sessions, Room C small 650 pax (theatre)

Joint Session SSP-EFP Best Swiss scientific research 2020/2021
