

## Wissenschaftliches Programm

### Donnerstag, 19. November 2020

---

SAKK Sessions  
7:30 - 9:00

Venue 7

#### **SAKK network outcomes research I**

SAKK Sessions  
8:00 - 10:00

Venue 5

#### **SAKK PG urogenital I**

SSMO Session  
8:30 - 10:00

Venue 1

#### **SSMO consensus session early breast cancer**

Chair: Marcus Vetter (Basel, Switzerland)

Chair: Christian Kurzeder (Basel, Switzerland)

**Breast cancer staging, the view of a radiologist // When and how to do imaging in breast cancer? Value of PET CT and whole body MRI?** **8:30 - 8:47**

Speaker: Jean-Yves Meuwly (Service radiodiagnostic, CHUV, Lausanne, Switzerland)

**Discussion** **8:47 - 8:52**

**Medical treatment in early breast cancer // When to choose neo-adjuvant treatment in early breast cancer?** **8:52 - 9:09**

Speaker: Andreas Müller (Kantonsspital Winterthur, Winterthur, Switzerland)

**Discussion** **9:09 - 9:14**

**Surgical treatment in early breast cancer // Axillary management - current standards - future developments?** **9:14 - 9:31**

Speaker: Walter Weber (Universitätsspital Basel, Basel, Switzerland)

**Discussion** **9:31 - 9:36**

**Developments in Radiotherapy of early breast cancer // Strategies for risk adapted escalation and de-escalation in radiotherapy** **9:36 - 9:53**

Speaker: Günther Gruber (Zurich, Switzerland)

**Discussion** **9:53 - 9:58**

## Wissenschaftliches Programm

SSH Session  
08:30 - 10:00

Venue 2

### SSH workshop experimental hematology

Chair: Markus Manz (Zurich, Switzerland)  
Chair: Olaia Naveiras (Lausanne, Switzerland)

SSH Session  
08:30 - 10:00

Venue 3

### Antiphospholipid Syndrome

Chair: Lars Asmis (Zurich, Switzerland)  
Chair: Dimitrios Tsakiris (Basel, Switzerland)

<b>Laboratory diagnosis of the antiphospholipid syndrome</b>	<b>08:30 - 08:55</b>
Speaker: Armando Tripodi (Milan, Italy)	
<b>Discussion</b>	<b>08:55 - 09:00</b>
<b>Lupus anticoagulant testing</b>	<b>09:00 - 09:25</b>
Speaker: Jan-Dirk Studt (Zurich, Switzerland)	
<b>Discussion</b>	<b>09:25 - 09:30</b>
<b>Management of the antiphospholipid syndrome</b>	<b>09:30 - 09:55</b>
Speaker: Anne Angelillo-Scherrer (Inselspital, Bern, Switzerland)	
<b>Discussion</b>	<b>09:55 - 10:00</b>

SAKK Sessions  
8:30 - 10:15

Venue 4

### SAKK WG central nervous system tumours

SPOG Session  
08:30 - 10:00

Venue 9

### SPOG working groups

SAKK Sessions  
9:00 - 10:00

Venue 6

### SAKK WG head & neck I

## Wissenschaftliches Programm

SAKK Sessions  
9:00 - 12:00

Venue 7

### SAKK network outcomes research I

SAKK Sessions  
10:00 - 12:00

Venue 8

### SAKK WG Melanoma

SSMO Session  
10:30 - 12:00

Venue 1

### Challenges and perspectives in thoracic malignancies

Chair: Alessandra Curioni (Zurich, Switzerland)  
Chair: Oliver Gautschi (Luzern, Switzerland)

**Liquid Biopsy and next generation sequencing tools for lung cancer: what to use and how?** 10:30 - 10:55

Speaker: Umberto Malapelle (University hospital Federico I/, Naples, Italy, Naples, Italy)

**Discussion** 10:55 - 11:00

**The rational of combining immunotherapy and radiotherapy: which stages and which approaches** 11:00 - 11:25

Speaker: Matthias Guckenberger (Universitätsspital Zurich, Zurich, Switzerland)

**Discussion** 11:25 - 11:30

**Recent developments for the treatment of mesothelioma** 11:30 - 11:55

Speaker: Alessandra Curioni (Zurich, Switzerland)

**Discussion** 11:55 - 12:00

SSH Session  
10:30 - 12:00

Venue 2

### SSH workshop experimental hematology

Chair: Olaia Naveiras (Lausanne, Switzerland)  
Chair: Markus Manz (Zurich, Switzerland)

SSH Session  
10:30 - 12:00

Venue 3

### COVID-19 and Hemostasis

Chair: Alessandro Casini (Geneva, Switzerland)  
Chair: Lukas Graf (St. Gallen, Switzerland)

## Wissenschaftliches Programm

<b>Lessons from COVID-19 coagulopathy</b> Speaker: Jecko Thachil (Manchester, United Kingdom)	<b>10:30 - 10:55</b>
<b>Discussion</b>	<b>10:55 - 11:00</b>
<b>Swiss experience: APL, bleeding, thrombosis and thromboprophylaxis</b> Speaker: Bernhard Gerber (Bellinzona, Switzerland)	<b>11:00 - 11:25</b>
<b>Discussion</b>	<b>11:25 - 11:30</b>
<b>SWISS HEMOPHILIA NETWORK - Gene therapies in hemophilia, perspectives for Swiss patients</b> Speaker: Inga Hegemann (Zurich, Switzerland)	<b>11:30 - 11:55</b>
<b>Discussion</b>	<b>11:55 - 12:00</b>
SAKK Sessions 10:30 - 12:00	Venue 4
<b>SAKK Info for CRC and trial nurses</b>	
SAKK Sessions 10:30 - 12:00	Venue 5
<b>SAKK PG urogenital II</b>	
SAKK Sessions 10:30 - 11:30	Venue 6
<b>SAKK WG head &amp; neck II</b>	
SPOG Session 10:30 - 12:00	Venue 9
<b>SPOG working groups</b>	
SSH Session 12:00 - 13:30	Venue 3
<b>SSH workshop experimental hemostasis</b> Chair: Pierre Fontana (Geneva, Switzerland) Chair: Anne Angelillo-Scherrer (Inselspital, Bern, Switzerland)	

## Wissenschaftliches Programm

Industry Symposia  
12:15 - 13:15

Venue 1

### **GSK - PARP-Inhibitors in Ovarian Cancer**

Industry Symposia  
12:15 - 13:15

Venue 2

### **AbbVie - Finally Finite - Pro and Contra Finite Treatment Duration in CLL**

Industry Symposia  
12:15 - 13:15

Venue 4

### **BMS I Celgene - Pipeline: Novel therapeutic approaches in hematology and oncology**

Joint Session  
13:30 - 15:00

Venue 1

### **Opening Session**

Chair: Roger von Moos  
Chair: Markus Manz (Zurich, Switzerland)

#### **Immunotherapy for malignant glioma : from illusion to real prospects**

Speaker: Pierre-Yves Dietrich (Geneva, Switzerland)

#### **Discussion**

#### **Novel aspects in the pathogenesis of BCR-ABL1 negative MPN**

Speaker: Radek Skoda (University Hospital Basel, Basel, Switzerland)

#### **Discussion**

#### **Title to be announced**

Speaker: BAG

#### **Discussion**

SAKK Sessions  
13:30 - 18:30

Venue 4

### **SAKK CPTC**

## Wissenschaftliches Programm

SPOG Session  
13:30 - 15:00

Venue 9

### **Current strategies for supportive therapy and management of complications, including the coronavirus pandemia in pediatric hematology and oncology**

Chair: Jochen Rössler (Bern, Switzerland)

<b>The role of We-ness for the psychological adjustment of children and adolescents with cancer</b>	<b>13:30 - 13:47</b>
Speaker: Markus Landolt (Universitäts- Kinderspital Zürich – Eleonorenstiftung, Zurich, Switzerland)	
<b>Discussion</b>	<b>13:47 - 13:52</b>
<b>Fertility protection in pediatric hematology/oncology - current strategies</b>	<b>13:52 - 14:09</b>
Speaker: Tamara Diesch (University Children`s Hospital Basel, Basel, Switzerland)	
<b>Discussion</b>	<b>14:09 - 14:14</b>
<b>Boosting the brain in childhood cancer survivors - is this feasible? Results of the Brainfit-Study</b>	<b>14:14 - 14:31</b>
Speaker: Regula Everts (University Hospital Bern, Inselspital, Bern, Switzerland)	
<b>Discussion</b>	<b>14:31 - 14:36</b>
<b>Management of the coronavirus pandemia in Swiss Pediatric Hematology Oncology</b>	<b>14:36 - 14:53</b>
Speaker: Tobias Dantonello (University Hospital Bern, Inselspital, Freiburg, Switzerland)	
<b>Discussion</b>	<b>14:53 - 14:58</b>

SAKK Sessions  
15:00 - 16:30

Venue 5

### **SAKK PG lung cancer I**

SAKK Sessions  
15:00 - 17:30

Venue 7

### **SAKK section radio-onco**

Joint Session  
15:30 - 17:00

Venue 1

### **Best Abstract & Award Session & SAKK & SGMO: Oncology**

Chair: Arnaud Roth (Geneve, Switzerland)  
Chair: Miklos Pless

## Wissenschaftliches Programm

Joint Session  
15:30 - 17:00

Venue 2

### Best Abstract & Award Session: Hematology

Chair: André Tichelli (University clinics Basel, Basel, Switzerland)  
Chair: Jakob R. Passweg (Oncosuisse, Basel, Switzerland)

SSMO Session  
15:30 - 17:00

Venue 3

### Swiss germ-cell cancer consensus

Chair: Joerg Beyer (Bern, Switzerland)  
Chair: Thomas Hermanns (Zürich, Switzerland)

<b>Diagnostic tools &amp; management stage I</b>	<b>15:30 - 15:47</b>
Speaker: Richard Cathomas (Kantonsspital Graubünden, Chur, Switzerland)	
<b>Discussion</b>	<b>15:47 - 15:52</b>
<b>Management of metastatic tumors &amp; relapse</b>	<b>15:52 - 16:09</b>
Speaker: Anja Lorch (Universität Zürich, zürich, Switzerland)	
<b>Discussion</b>	<b>16:09 - 16:14</b>
<b>Residual tumor resection: in whom &amp; how</b>	<b>16:14 - 16:31</b>
Speaker: Christian Fankhauser (Universität Zürich, Zürich, Switzerland)	
<b>Discussion</b>	<b>16:31 - 16:36</b>
<b>Follow-up &amp; management of late toxicities</b>	<b>16:36 - 16:53</b>
Speaker: Christian Rothermundt (Kantonsspital St. Gallen, St. Gallen, Switzerland)	
<b>Discussion</b>	<b>16:53 - 16:58</b>

SPOG Session  
15:30 - 17:00

Venue 9

### SPOG research council meeting

SAKK Sessions  
16:30 - 18:30

Venue 5

### SAKK PG lung cancer II

Abstract Session  
17:00 - 18:30

Poster Exhibition

### Poster Walks & Aperero

## **Wissenschaftliches Programm**

SPOG Session  
17:30 - 19:00

Venue 9

### **SPOG research council meeting**

Assembly  
18:30 - 19:30

Venue 2

### **SSMO General Assembly**

Assembly  
18:30 - 19:30

Venue 3

### **SSH General Assembly**

Assembly  
19:30 - 20:30

Venue 1

### **SAKK General Assembly**

## Wissenschaftliches Programm

### Freitag, 20. November 2020

---

Abstract Session  
08:30 - 10:00

Venue 1

#### SSH/SSMO oral presentation clinical hemato-oncology

NSK Session  
8:30 - 10:00

Venue 2

#### Social implications of cancer

Chair: Catherine Gasser (Bern, Switzerland)  
Chair: Daniela de la Cruz

<b>Association Savoir Patient</b>	<b>8:30 - 8:55</b>
Speaker: Angela Grezet (Association Savoir Patient, Genève, Switzerland)	
<b>Discussion</b>	<b>8:55 - 9:00</b>
<b>Der Onkologe und Palliativmediziner</b>	<b>9:00 - 9:25</b>
Speaker: Gilbert Zulian (Krebsliga Schweiz, Bern, Switzerland)	
<b>Discussion</b>	<b>9:25 - 9:30</b>
<b>Die Pflegewissenschaftlerin</b>	<b>9:30 - 9:55</b>
Speaker: Manuela Eicher (UNIL-CHUV, Lausanne, Switzerland)	
<b>Discussion</b>	<b>9:55 - 10:00</b>

SSH Session  
8:30 - 10:00

Venue 3

#### Diagnostic challenges in hematologic practice

Chair: Jeroen Goede (Winterthur, Switzerland)  
Chair: Pontus Lundberg (Basel, Switzerland)

<b>Clinical needs for NGS-diagnostics in acute myeloid leukemia</b>	<b>8:30 - 8:55</b>
Speaker: Corinne Widmer (Universitätsspital Zurich, Zürich, Switzerland)	
<b>Discussion</b>	<b>8:55 - 9:00</b>
<b>Diagnostic necessities during follow up of treated PNH-patients</b>	<b>9:00 - 9:15</b>
Speaker: Anita Hill (Leeds Teaching Hospitals, Beckett Street Leeds, Leeds, United Kingdom)	
<b>Discussion</b>	<b>9:15 - 9:20</b>
<b>Is there a diagnostic pathway for JAK2-negative erythrocytosis?</b>	<b>9:20 - 9:35</b>
Speaker: Jeroen Goede (Winterthur, Switzerland)	
<b>Discussion</b>	<b>9:35 - 9:40</b>

## Wissenschaftliches Programm

**Hemostatic alterations in cirrhotic patients** 9:40 - 9:55

Speaker: Lorenzo Alberio (Centre hospitalier universitaire vaudois, Lausanne, Switzerland)

**Discussion** 9:55 - 10:00

SSMO Session  
8:30 - 10:00

Venue 4

### Basiskurs onkologie

Chair: Andreas Wicki (Liestal, Switzerland)  
Chair: Felicitas Hitz (St. Gallen, Switzerland)

**Sozialversicherungen, IV, Arbeitsfähigkeit** 8:30 - 9:10

Speaker: Yvonne Bollag (University Hospital Basel, Basel, Switzerland)

**Discussion** 9:10 - 9:15

**Fahrtüchtigkeit von Krebspatienten** 9:15 - 9:55

Speaker: Kristina Keller (Universität Zürich, Zürich, Switzerland)

**Discussion** 9:55 - 10:00

SAKK Sessions  
8:30 - 11:30

Venue 5

### SAKK PG gastrointestinal incl. Section surgery

Oncoreha Session  
8:30 - 10:00

Venue 7

### Cancer rehabilitation and modern oncology: (how) can it be combined in high quality?

Chair: Peter Lermen (Bern, Switzerland)

**Importance of quality and treatment standards in cancer rehabilitation** 8:30 - 8:47

Speaker: Peter Lermen (Bern, Switzerland)

**Discussion** 8:47 - 8:52

**Identification of cancer patients having a need for cancer rehabilitation** 8:52 - 9:09

Speaker: Martina Schmockler (Kantonsspital Winterthur, Winterthur, Switzerland)

**Discussion** 9:09 - 9:14

**Integration of cancer rehabilitation in cancer treatment pathways on the examples of survivorship fatigue and palliative oncology** 9:14 - 9:31

Speaker: Florian Strasser (St. Gallen, Switzerland)

**Discussion** 9:31 - 9:36

## Wissenschaftliches Programm

<b>OncoReha 2.0: what do oncologists want? (considering also supportive and palliative care)</b>	<b>9:36 - 9:53</b>
Speaker: Solange Peters	
<b>Discussion</b>	<b>9:53 - 9:58</b>

SAKK Sessions  
9:00 - 12:00

Venue 6

### SAKK WG cellular therapies

SAKK Sessions  
9:00 - 11:45

Venue 9

### SAKK WG gynaecological cancer

Joint Session  
10:30 - 12:00

Venue 1

### SSH/SSMO consensus session leukemia

Chair: Georg Stüssi  
Chair: Thomas Pabst (Bern, Switzerland)

#### AML

Speaker: Vera Ulrike Bacher (Inselspital, Bern, Switzerland)

#### Discussion

#### CCL

Speaker: Davide Rossi (Switzerland)

#### Discussion

#### ALL

Speaker: Beat Schäfer (KISPI, Zurich, Switzerland)

#### Discussion

NSK Session  
10:30 - 12:00

Venue 2

### 325 Tage Krebsregistrierung - was funktioniert gut? Was nicht?

Chair: Michael Röthlisberger (Bern, Switzerland)  
Chair: Ulrich Wagner

#### Sicht der Spitäler

Speaker: Andreas Schittny (H+, Bern, Switzerland)

**10:30 - 10:38**

## Wissenschaftliches Programm

<b>Sicht der Kantonalen Krebsregister</b>	<b>10:38 - 10:46</b>
Speaker: Martin Adam (ASRT, Aarau, Switzerland)	
<b>Sicht der Nationalen Krebsregistrierungsstelle</b>	<b>10:46 - 10:54</b>
Speaker: Ulrich Wagner	
<b>Sicht des Kinderkrebsregisters</b>	<b>10:54 - 11:02</b>
Speaker: Verena Pfeiffer (KiKR, Bern, Switzerland)	
<b>Sicht des BAG</b>	<b>11:02 - 11:10</b>
Speaker: Simone Bader (Bundesamt für Gesundheit BAG, Bern, Switzerland)	
<b>Discussion</b>	<b>11:10 - 12:00</b>

Abstract Session  
10:30 - 12:00

Venue 3

### SSH oral presentations hemostasis, transfusion & vascular diseases

SSMO Session  
10:30 - 12:00

Venue 4

### Basiskurs onkologie

Chair: Felicitas Hitz (St. Gallen, Switzerland)  
Chair: Walter Mingrone (Olten, Switzerland)

<b>Onkologische Medikamente und Biosimilars in der Schweiz</b>	<b>10:30 - 11:10</b>
<b>Discussion</b>	<b>11:10 - 11:15</b>
<b>Schnittstellenmanagement zwischen Kliniken, Kostenträgern und Behörden</b>	<b>11:15 - 11:55</b>
Speaker: Yvonne Hummel (Kantonsärztlicher Dienst Aargau, Aarau, Switzerland)	
<b>Discussion</b>	<b>11:55 - 12:00</b>

Oncoreha Session  
10:30 - 12:00

Venue 7

### Dialogue between rehabilitation medicine and oncology for practical application/Dialog zwischen Rehamedizin und Onkologie zur praktischen Anwendung

Chair: Kristin Zeidler (Stans, Switzerland)  
Chair: Nadja Wyrsh (Davos, Switzerland)

<b>Exercise therapy and sports therapy in oncological rehabilitation</b>	<b>10:30 - 10:55</b>
Speaker: Jean-Marc Lüthi (Spital Thun, Thun, Switzerland)	
<b>Discussion</b>	<b>10:55 - 11:00</b>

## Wissenschaftliches Programm

<b>Practical implementation: Concept and Insel-health App in oncological rehabilitation</b> Speaker: Andrea Suter Fiechter (Inselspital, Bern, Switzerland)	<b>11:00 - 11:25</b>
<b>Discussion</b>	<b>11:25 - 11:30</b>
<b>Dialogue between rehabilitation medicine and oncology</b> Speaker: Peter Lermen (Bern, Switzerland)	<b>11:30 - 11:55</b>
<b>Discussion</b>	<b>11:55 - 12:00</b>

SAKK Sessions  
10:30 - 12:00

Venue 8

### **SAKK call to action semantic data interoperability**

Industry Symposia  
12:15 - 13:15

Venue 1

### **Mylan - Biosimilar Trastuzumab - eine neue Therapieoption in der Senologie**

Industry Symposia  
12:15 - 13:15

Venue 2

### **Novartis - Realizing the promise of CAR T cell therapies in real-world clinical practice**

Industry Symposia  
12:15 - 13:15

Venue 3

### **Sanofi - Recent progress in rare blood disorder**

Joint Session  
13:30 - 15:00

Venue 1

### **Aggressive Lymphomas, with a special focus on diffuse large B-Cell Lymphomas**

Chair: Frank Stenner  
Chair: Thorsten Zenz

#### **Molecular pathology of aggressive lymphomas**

Speaker: Stefan Dirnhofer (Basel, Switzerland)

#### **Discussion**

#### **Liquid biopsies in aggressive lymphomas**

Speaker: Davide Rossi (Switzerland)

## Wissenschaftliches Programm

### Discussion

#### Therapeutic aspects of precision medicine in aggressive lymphomas

Speaker: Thorsten Zenz

### Discussion

#### Therapeutic aspects of precision medicine in aggressive lymphomas

Speaker: Frank Stenner

### Discussion

SAKK Sessions  
13:30 - 17:00

Venue 2

### SAKK PG breast

SSH Session  
13:30 - 15:00

Venue 3

### Transfusion medicine for the hematologist

Chair: Giorgia Canellini (Lausanne, Switzerland)

Chair: Andreas Holbro (Basel, Switzerland)

#### Platelet transfusions: past, present and future

13:30 - 13:47

Speaker: Andreas Buser (Blutspendezentrum beider Basel, Basel, Switzerland)

### Discussion

13:47 - 13:52

#### Cellular therapies: where do we stand

13:52 - 14:09

### Discussion

14:09 - 14:14

#### How to keep blood safety during a pandemic

14:14 - 14:31

Speaker: Christoph Niederhauser (Interregionale Blutspende SRK AG, Bern, Switzerland)

### Discussion

14:31 - 14:36

#### Management of fetal and neonatal alloimmune thrombocytopenia

14:36 - 14:53

Speaker: Françoise Boehlen (HUG, Genève, Switzerland)

### Discussion

14:53 - 14:58

SSMO Session  
13:30 - 15:00

Venue 4

### Basiskurs onkologie

Chair: Walter Mingrone (Olten, Switzerland)

Chair: Felicitas Hitz (St. Gallen, Switzerland)

## Wissenschaftliches Programm

<b>Statistik in der Onkologie</b> Speaker: Martin Fey (Inselspital, Bern, Switzerland)	<b>13:30 - 14:10</b>
<b>Discussion</b>	<b>14:10 - 14:15</b>
<b>Krebsliga, NSK, Oncosuisse und weitere Organisationen in der Krebsmedizin</b> Speaker: Jakob R. Passweg (Oncosuisse, Basel, Switzerland)	<b>14:15 - 14:55</b>
<b>Discussion</b>	<b>14:55 - 15:00</b>
SAKK Sessions 13:30 - 17:00	Venue 5
<b>SAKK PG DT</b>	
SAKK Sessions 13:30 - 15:00	Venue 6
<b>SAKK WG imaging</b>	
Oncoreha Session 13:30 - 15:00	Venue 7
<b>Equitable access to cancer rehabilitation?!</b> Chair: Catherine Gasser (Bern, Switzerland)	
<b>Quality and rehabilitation treatment standards: requirements to achieve equitable and standardized access in every stage of a disease</b> Speaker: Peter Lermen (Bern, Switzerland)	<b>13:30 - 13:55</b>
<b>Discussion</b>	<b>13:55 - 14:00</b>
<b>Challenges and pitfalls for cancer patients to get access to in-patient and out-patient cancer rehabilitation</b> Speaker: Christel Nigg (Klinik GaisSusenbergr, Zurich, Switzerland)	<b>14:00 - 14:25</b>
<b>Discussion</b>	<b>14:25 - 14:30</b>
<b>Anticancer treatment during cancer rehabilitation: how can they be combined?</b> Speaker: Florian Strasser (St. Gallen, Switzerland)	<b>14:30 - 14:55</b>
<b>Discussion</b>	<b>14:55 - 15:00</b>
SAKK Sessions 13:30 - 15:00	Venue 8
<b>SAKK section patho</b>	

## Wissenschaftliches Programm

SSMO Session  
13:30 - 15:00

Venue 9

### SSMO Workshop WBS

Joint Session  
15:30 - 17:00

Venue 1

### SSH/SSMO consensus session on diagnostic and treatment of multiple myeloma

Chair: Christoph Renner (Zürich, Switzerland)  
Chair: Christoph Driessen (St. Gallen, Switzerland)

#### **Recommendation on the use of imaging tools for the diagnosis and treatment of multiple myeloma**

Speaker: Leo Rasche (Universitätsklinikum Würzburg, Würzburg, Germany)

#### **Discussion**

#### **First-line treatment of multiple myeloma**

Speaker: Christoph Renner (Zürich, Switzerland)

#### **Discussion**

#### **Treatment of relapsed multiple myeloma**

Speaker: Thomas Matthes (HUG Hôpital Universitaire de Genève, Genève, Switzerland)

#### **Discussion**

#### **Treatment of refractory multiple myeloma**

Speaker: Christoph Driessen (St. Gallen, Switzerland)

#### **Discussion**

Joint Session  
15:30 - 17:00

Venue 3

### Standards and new treatment options for sickle cell disease in children and adults

Chair: Markus Schmugge (Zürich, Switzerland)  
Chair: Kaveh Samii (Geneva, Switzerland)

#### **Traditional and innovative therapies for young adults and adolescents in the period of transition**

Speaker: Mariane De Montalembert (University Paris Descartes, Paris, France)

#### **Discussion**

#### **Stemcell transplantation for children and adults with Sickle Cell Disease**

Speaker: Nathalie Dhedin (Universite De Paris, Faculte De Medecine Saint-Louis, Lariboisière, Paris, France)

#### **Discussion**

## Wissenschaftliches Programm

### **New drug developments: opportunities and challenges for the treatment of children with hemoglobinopathies**

Speaker: Raffaele Renella (Lausanne University Hospital, Lausanne, Switzerland)

#### **Discussion**

SSMO Session  
15:30 - 17:00

Venue 4

### **Basiskurs onkologie**

Chair: Felicitas Hitz (St. Gallen, Switzerland)

Chair: Andreas Wicki (Liestal, Switzerland)

#### **Pharmakovigilanz**

Speaker: Anne Leuppi-Taegtmeier (Universitätsspital Basel, Basel, Switzerland)

**15:30 - 15:55**

#### **Discussion**

**15:55 - 16:00**

#### **Onco Reha**

Speaker: Florian Strasser (St. Gallen, Switzerland)

**16:00 - 16:25**

#### **Discussion**

**16:25 - 16:30**

#### **Vorstellung Weiterbildungsprogramm Onkologie / SGMO**

Speaker: Walter Mingrone (Olten, Switzerland)

**16:30 - 16:55**

#### **Discussion**

**16:55 - 17:00**

SAKK Sessions  
15:30 - 17:00

Venue 8

### **SAKK WG supportive & palliative cancer care**

Joint Session  
17:15 - 18:45

Venue 1

### **Cancer as a national challenge - past, present & future**

Chair: Michael Röthlisberger (Bern, Switzerland)

Chair: Kathrin Kramis

#### **Cancer as a National Challenge - die Sicht des EDI und des Bundesamts für Gesundheit Grussbotschaft BR Alain Berset**

Speaker: Anne Levy (Basel, Switzerland)

#### **Die Krebsprogramme und die Nationale Strategie gegen Krebs 2014 - 2020. Wo kommen wir her und wo stehen wir heute?**

Speaker: Thomas Cerny (Krebsforschung Schweiz / Oncosuisse, St. Gallen, Switzerland)

## Wissenschaftliches Programm

**Koordiniertes Vorgehen innerhalb unserer föderalen Strukturen: ist das überhaupt möglich?  
Was bringen nationale Gesundheitsstrategien aus Sicht der Kantone?**

Speaker: Lukas Engelberger (Basel, Switzerland)

**Die gesellschaftspolitische Relevanz von Krebs aus Sicht der Nationalen Politik**

Speaker: Marina Carobbio (Lumino, Switzerland)

**Einblicke in die Evaluation der NSK 2014 - 2020 und Blick in die Zukunft nationaler  
Koordination und Vernetzung im Krebsbereich. Wo geht die Reise hin?**

Speaker: Jakob R. Passweg (Oncosuisse, Basel, Switzerland)

SSH Session  
17:15 - 18:45

Venue 3

### Benign Hematology Symposium

Chair: Alicia Rovo (Bern, Switzerland)  
Chair: Stefan Balabanov (Zürich, Switzerland)

**Paroxysmal nocturnal hemoglobinuria (PNH), new therapeutical options** **17:15 - 17:50**

Speaker: Anita Hill (Leeds Teaching Hospitals, Beckett Street Leeds, Leeds, United Kingdom)

**Discussion** **17:50 - 17:55**

**Characteristics and outcome of neutropenia** **17:55 - 18:15**

Speaker: Linet Njue (Bern University Hospital, Bern, Switzerland)

**Discussion** **18:15 - 18:20**

**Monocytosis. Differential diagnosis workup** **18:20 - 18:40**

Speaker: Sabine Blum (UNIL CHUV, Lausanne, Switzerland)

**Discussion** **18:40 - 18:45**

Assembly  
17:15 - 19:00

Venue 7

### Oncoreha.ch member assembly

## Wissenschaftliches Programm

### Samstag, 21. November 2020

---

SSMO Session  
8:30 - 10:00

Venue 1

#### Treatment standards and emerging concepts for upper GI cancers

Chair: Ralph Fritsch (Zurich, Switzerland)  
Chair: Arnaud Roth (Geneve, Switzerland)

<b>Novel techniques for the conservative treatment of esophageal cancer</b> Speaker: Andre Durham (HUG Hôpital Universitaire de Genève, Geneve, Switzerland)	<b>8:30 - 8:55</b>
<b>Discussion</b>	<b>8:55 - 9:00</b>
<b>Targeting HER2 and new developments in the systemic treatment of metastatic gastric cancer</b> Speaker: Anna Dorothea Wagner (Lausanne University Hospital, Lausanne, Switzerland)	<b>9:00 - 9:25</b>
<b>Discussion</b>	<b>9:25 - 9:30</b>
<b>Spoilt for choice - the rapidly evolving landscape of systemic treatment for hepatocellular carcinoma</b> Speaker: Ralph Fritsch (Zurich, Switzerland)	<b>9:30 - 9:55</b>
<b>Discussion</b>	<b>9:55 - 10:00</b>

Joint Session  
8:30 - 10:00

Venue 2

#### SSH/SSMO oral presentations experimental hematology & oncology

SSH Session  
8:30 - 10:00

Venue 3

#### SGH Hematopoietic stem cell transplantation

Chair: Urs Schanz (Zurich, Switzerland)  
Chair: Dominik Heim (Basel, Switzerland)

<b>The role of ATG in MSD, MUD and haploidentical HSCT</b> Speaker: Jürgen Finke (Universitätsspital BaselFreiburg im Breisgau, Freiburg im Breisgau, Germany)	<b>08:30 - 09:00</b>
<b>Discussion</b>	<b>09:00 - 09:10</b>
<b>Is there still a role for allogeneic HSCT in Ph+ ALL?</b> Speaker: Yves Chalando (Geneva, Switzerland)	<b>09:10 - 09:30</b>
<b>Discussion</b>	<b>09:30 - 09:35</b>

## Wissenschaftliches Programm

**The promise for a better future: immunological conditioning approaches for allogeneic HSCT** **09:35 - 09:55**  
Speaker: Norman Russkamp (Zurich, Switzerland)  
**Discussion** **09:55 - 10:00**

SAKK Sessions  
9:00 - 12:00

Venue 4

### **SAKK PG lymphona**

SAKK Sessions  
10:00 - 12:00

Venue 6

### **SAKK Patient Forum**

Joint Session  
10:30 - 12:15

Venue 1

### **Highlights of the year - powered by SAMO**

Chair: Daniel Betticher  
Chair: Miklos Pless

#### **HNO**

Speaker: Sacha Rothschild (Basel, Switzerland)  
Speaker: Angela Fischer Maranta (Chur, Switzerland)

#### **Discussion**

#### **Breast cancer**

Speaker: Aiketrini Liapi (Lausanne, Switzerland)  
Speaker: Stefan Aebi (Luzern, Switzerland)

#### **Discussion**

#### **Gynaecologic cancer**

Speaker: Tibor Andrea Zwimpfen (Basel, Switzerland)  
Speaker: Christiana Sessa (Bellinzona, Switzerland)

#### **Discussion**

#### **Urogenital cancer**

Speaker: David Christian Müller (Basel, Switzerland)  
Speaker: Aurelius Omlin (St. Gallen, Switzerland)

#### **Discussion**

## Wissenschaftliches Programm

SSMO Session  
10:30 - 12:00

Venue 2

### SSMO oral presentations solid tumours

SSH Session  
10:30 - 12:00

Venue 3

### SSH continuous education course MDS

Chair: Sabine Blum (UNIL CHUV, Lausanne, Switzerland)  
Chair: Nicolas Bonadies (Bern, Switzerland)

<b>Novel drug targets in lower and higher risk MDS</b>	<b>10:30 - 10:55</b>
Speaker: Ulrich Germing (Heinrich Heine University Düsseldorf, Düsseldorf, Germany)	
<b>Discussion</b>	<b>10:55 - 11:00</b>
<b>Similarities and differences of higher risk MDS and AML</b>	<b>11:00 - 11:15</b>
Speaker: Georg Stüssi	
<b>Discussion</b>	<b>11:15 - 11:20</b>
<b>Role of morphology in the era of molecular diagnostics in MDS</b>	<b>11:20 - 11:35</b>
Speaker: André Tichelli (University clinics Basel, Basel, Switzerland)	
<b>Discussion</b>	<b>11:35 - 11:40</b>
<b>What do we need to cure MDS, of animal models and other translational approaches</b>	<b>11:40 - 11:55</b>
<b>Discussion</b>	<b>11:55 - 12:00</b>

Industry Symposia  
12:15 - 13:15

Venue 1

### Ipsen & Roche - GI cancers of special interest

Industry Symposia  
12:15 - 13:15

Venue 2

### Takeda - Challenges and opportunities for myeloma maintenance therapy today

Industry Symposia  
12:15 - 13:15

Venue 3

### Astellas - Are novel hormonal agents THE standard of care for all men with mHSPC? A Debate

## Wissenschaftliches Programm

Joint Session  
13:30 - 15:00

Venue 1

### Highlights of the year - powered by SAMO

Chair: Rolf Stahel  
Chair: Gabriela Baerlocher (Bern, Switzerland)

#### Leukaemia

Speaker: Markus Manz (Zurich, Switzerland)  
Speaker: Carmen de Ramon Ortiz (Geneva, Switzerland)

#### Discussion

#### Lymphoma

Speaker: Evelyine Sarah Daetwyler (Liestal, Switzerland)  
Speaker: Urban Novak (Bern, Switzerland)

#### Discussion

#### Radiotherapy: new indications

Speaker: Galina Fischer (Chur, Switzerland)  
Speaker: Daniel Zwahlen (Wintherthur, Switzerland)

#### Discussion

#### Gastrointestinal tumours: surgical therapy

Speaker: Martin Hübner (Lausanne, Switzerland)

#### Discussion

SSH Session  
13:30 - 15:00

Venue 3

### Continuous education course: update on MPN

Chair: Sara Meyer (Basel, Switzerland)  
Chair: Alexandre Theocharides (Zurich, Switzerland)

**Novel aspects in the pathogenesis of BCR-ABL1 negative MPN** **13:30 - 13:47**

Speaker: Radek Skoda (University Hospital Basel, Basel, Switzerland)

**Discussion** **13:47 - 13:52**

**Diagnostic and prognostic tools in MPN** **13:52 - 14:09**

**Discussion** **14:09 - 14:14**

**Standard of care and future perspective in the treatment of myelofibrosis** **14:14 - 14:31**

Speaker: Francesco Passamonti (ASST Settelaghi - Ospedale di Circolo, Varese, Italy)

**Discussion** **14:31 - 14:36**

**CMML - Pathogenesis, diagnosis and treatment** **14:36 - 14:53**

Speaker: Eric Solary (Gustave Roussy Cancer Center, Villejuif, France)

**Discussion** **14:53 - 14:58**

## Wissenschaftliches Programm

SAKK Sessions  
14:30 - 17:30

Venue 4

### SAKK PG leukemia

Joint Session  
15:30 - 17:00

Venue 1

### Highlights of the year - powered by SAMO

Chair: Solange Peters  
Chair: Richard Cathomas (Kantonsspital Graubünden, Chur, Switzerland)

#### **Gastrointestinal tumours: systemic therapy**

Speaker: Ferdinando Cerciello (Bern, Switzerland)  
Speaker: Ulrich Güller (Thun, Switzerland)

#### **Lung cancer: surgical therapy**

Speaker: Walter Weder (Zurich, Switzerland)

#### **Discussion**

#### **Lung cancer: systemic therapy**

Speaker: Oliver Gautschi (Luzern, Switzerland)  
Speaker: Nino Feizibegovic (Zurich, Switzerland)

#### **Discussion**

SSH Session  
15:30 - 17:00

Venue 3

### SSH Cellular Therapy

#### **Real world experience of CAR T cell therapy for lymphoma (including strategies how to handle CAR T treatment failure/ relapse post CAR T)**

**15:30 - 15:45**

Speaker: Ulrich Jaeger (Wien, Austria)

#### **Gene therapy in hematology**

**15:45 - 16:00**

Speaker: Marina Cavazzana (Paris, France)

#### **CAR T cell manufacturing**

**16:00 - 16:15**

#### **Integration of immune effector cell and targeted therapies with allogeneic HSCT**

**16:15 - 16:30**
